Senator F. S. Breen is expected home tonight. But we have been expecting him so long that we all wonder if the senate will adjourn today sure enough.

Joe Amundsen an ardent Williams booster, spent a few days this week, enjoying the pleasant weather of Flagstaff, and incidentally transacting business.

A cold stine of Faust—nothing more refreshing in hot weather. The Office Bar.

W. F. Griffith returned home this week, from a two weeks trip through the White Mountains and the ranges of Apache county. He wears a coat of tan, and a pleasant smile, marks of an enjoyable vacation, spent amid the ashes of camp fire meals, and the call of cattle.

Rev. F. C. Moffett, who was at one time pastor of the Presbyterian church in Flagstaff, now a member of the Presbyterian missionary board of New York, came in the first of the week, and will spend a few days in the city. Mr. Moffett will be here to attend the Indian Mission conference in August.

Mrs. Geo. Mason, the music teacher, is discoursing sweet music at The Lyric. Miss Justine Johnson (pupil) will assist on Saturday night, in a duet by Gottschalk. On Sunday night Miss Gertrude Witheroe (pupil) Mrs. Mason will play Duo de Fauvettes Capric Polka by A. D. Haenens.

When Kolb Bros. were on their perilous journey in row boats shooting the rapids of the Green and Colorado rivers, this paper stated that these adventurers would likely never be heard of again. They were not only heard of, but will now be seen and heard in our own town, giving a full account of this hazardous journey. Flagstaff people are fortunate in being among the first to see their moving pictures and hear their own illustrated lecture. This is the most talked of and possibly the most interesting exploration of recent years.

FLAGSTAFF TEAM MEETS A REVERSE

The "ever victorious Flagstaff team(?)" met its first defeat Sunday at the hands, (bats) of the Williams team. The Williams bunch played like a lot of big leaguers while Flagstaff gave a fine imitation of sand lot ball. Williams started off by scoring three in the first inning on three hits and a couple of bunts and another in the second. In the fourth Flagstaff scored two earned runs. Moloney hit safely and was scored by Cy Boyd's three bagger, who was brought in by Wilkinson's hit. At this time it looked like a good game, but in the last of the fourth with two on the bases, the right fielder muffed a play ball, three men scoring. From then on Williams played airtight ball and Flag never had a "look in."

"Cap" Moloney led with the stick making three singles and was robbed of a three bagger by a great catch by Ballagh of Williams. Wilkinson also made three hits. Hanson had an off day not making a hit. The Flagstaff team also had a bad day in the fielding line, booting seven.

Score by innings:

R.H.E.

Flagstaff.0 0 0 2 0 0 0 0 0 2 9 7
Williams.3 1 0 3 0 2 1 0 X-10 12 1

Batteries—Boyd and Wilkinson, Young and Kline.

The following wire was sent from Flagstaff to the team while at play in Williams Sunday:

"The Pirates in session are having a dream, of the ever victorious Flagstaff team; We are flicking off ashes and blowing off foam, and pulling our darndest for you here at home; so bring home the bacon and LISTEN—you must—don't let those new uniforms touch Williams dust."

"PIRATES OF PENNY ANTE."

The team sent back the following reply:

"Pirates of Penny Ante:
"We are all a feeling mighty blue; the score today was ten to two; the story today—it's too sad to tell—because they beat us all to h—"

Don't let us loose interest in that new water reservoir. Flagstaff must prepare for a greater future, and water is an essential feature to future progress. Boost, one and all, for another reservoir.

Our town has a large number of those pesky birds known as English sparrows. They are multiplying rapidly and they are fast becoming a nuisance. There is no time like the present to take up the matter of preventing the growth of this plague. It would not be a bad idea for the city council to take action in the matter at an early date.

C. H. Brownell is happy again. Mrs. Brownell returned from Long Beach and Los Angeles the first of the week, after a very pleasant visit. C. Van Marter, nephew of Mrs. Brownell, came home with her and will spend a short time in our city. He will be a booster for Flag after enjoying a few weeks up here among the pines.

Free Matinee for Children

Saturday afternoons from 2 to 4 o'clock the children will be given a free matinee at the new Lyric Theatre, for which will be charged adults, but all children will be admitted free. Send the little folks and let them see the motion pictures.

Bold Burglary

Last Saturday night or early Sunday morning some one, or two, or more individuals so admired the show window in the S. L. Finley store that the front was smashed in and several revolvers, and things of a "kindred nature" were extracted. It is believed to have been the work of a Mexican who did the shooting Saturday night. It is thought that in order to properly arm himself that he committed the burglary. At least both the man and the guns are gone at one and the same time and there is a reward out for the burglar. Mr. Finley did not consider the loss of the goods so much as the destruction of the glass front in the store.

Move On Now!

says a policeman to a street crowd and whacks heads if it don't. "Move on now," says the big, harsh, mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25c at Babbitt Bros.

Bids for Building Retaining Wall

The board of trustees of Flagstaff school district No. 1, will receive bids for the construction of a retaining wall along the east side of the Emerson school grounds. The bids will cover all necessary excavation, a cement coping on the top of the wall and the erection of pipe fence on top of wall, said fence to be furnished by the board of trustees.

Each bid must be accompanied by a certified check for \$100.00 which check will be forfeit to Flagstaff school district 1 in case the bid is accepted and the bidder fails to sign contract.

All bids must be in the hands of the board by twelve o'clock noon on June the 28th, 1912.

Bids should be in plain sealed envelope marked "Bid for retaining Wall" and should be delivered to Edw. M. Brown, Clerk of board. Further information may be had upon application to Edw. M. Brown, Clerk of the board, at his place of business.
